The apartment is on the ground floor of an antique villa with a park and is composed as follows: large eat-in kitchen and living room with fireplace overlooking the terrace and private garden, bathroom. On the first floor 2 bedrooms and a bathroom.

A walk along the lake connects it to the historic center of Orta and the pier, with its boats that connect the main centers of the lake and the island of San Giulio.

Unique opportunity! because it is very rare to find apartments on the market with lake views, private beach, terrace and private garden, as well as parking spaces and close to the historic center.

Excellent investment! Because they are the first choice in tourist rentals.
